## WELCOME TO THE LEAD URBAN ART WALKING TOUR

The idea for this project was born at a meeting of the Lead Comprehensive planning committee in December 2014. Its mission is to help beautify Lead, promote civic pride, support local artists, and attract tourism. The Lead-Deadwood Arts Center was tasked with project management and became a repository for funding. There have been many contributors to the project including numerous private citizens. Some of the artists have contributed their time and talent, while most have been paid a stipend. Funders to date are listed below:

- Black Hills Pioneer
- Lynn's Dakotamart
